& Providers**

PROVIDERS & SERVICES

DR. STEVEN CHAPMAN, MD

Dr. Chapman, is a general pediatrician with 20 years of experience. He is currently the Director of the Boyle Community Pediatrics Program and provides well-child care for children

whose moms participate in the Dartmouth-Hitchcock Moms in Recovery Program.

RECOVERY COACH

As a person living in long-term recovery, provides peer-to-peer support as a Certified Recovery Coach, and helps patients with resources and advocating for their needs. She can accompany you to appointments and is available between visits as well.

COMMUNITY CONNECTIONS

Molly's Place at the CHaD Family Center is a warm, welcoming, child-friendly place at Dartmouth-Hitchcock. Molly's Place is open to anyone and offers resources, educational materials, information, and community connections in a respectful, and comfortable environment.

Phone: (603) 653-9899

The **TLC Family Resource Center** in Claremont, New Hampshire provides respectful and non-judgmental services to families in Sullivan and lower Grafton counties. The Center offers classes, support groups, and special events. Services include home visits for pregnant women and new parents .

Phone: (603) 542-1848

The Family Place Parent Child Center in Norwich, Vermont provides programs for families with young children in the Upper Valley and surrounding communities. It offers support services and educational opportunities, both on-site and through home visiting.

Phone: (802) 649-3268

COMPASSIONATE SPECIALIZED CARE

Meet our pediatric residents.

MEGHAN REYNOLDS, MD

DR. JESSICA TRUELOVE, DO

Pediatric residents Our residents are doctors receiving specialized training in pediatrics and work under the supervision of our senior doctors. Residents received additional training through the Boyle Community Pediatrics Program.

In addition to providing clinical care, all of our providers connect a child's caregivers with resources that can support both moms in recovery and the health of their children.
