

Pregnant? We Are Here To Help You With Your Plan of Supportive Care

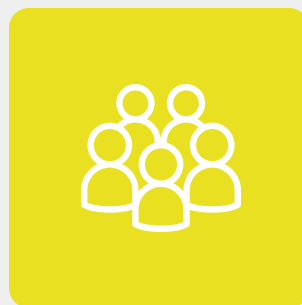

The plan of supportive care helps to identify current supports you have for you and your baby and can act as a guide to identify additional supports and resources that we can help you with. Talking with a care team member during your appointment will help to identify if you are eligible for help with some of the following:

Finding and paying for
child care

Food

Parent education
&
Peer support

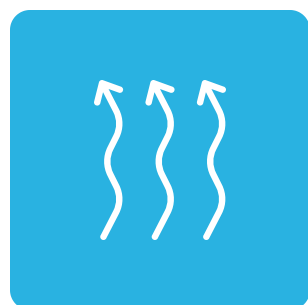

Cell phones

Car seats &
Baby things

Housing

Heating
Electrical bills

Diapers

Breastfeeding
support

Community
events

Ask your care team to connect you today!

Stop by Molly's Place at The Children's Hospital at Dartmouth-Hitchcock: Level 6 or call 653-9899 for more information on these supports.
