Event Overview & Learning Outcome Statement

We are delighted to be back in-person for our first conference in three years! NNEPQIN is proud to host our 2022 Annual Meeting at Omni Mount Washington Hotel in Bretton Woods, NH. Please join us for a mix of outstanding perinatal continuing education topics and the opportunity to reunite with friends & colleagues in a spectacular setting. The NNEPQIN Fall Meeting is a multi-day event designed to address the challenging obstetrical and neonatal issues facing the entire multidisciplinary team. At the conclusion of this activity, (at least 75% of) learners will be able to discuss newly updated guidelines that have been created to optimize maternal and neonatal outcomes. Bring your team!
