Target Audience
Obstetricians, Midwives, Pediatricians, Family Practitioners, Perinatal Nurses, Nurse Practitioners, Risk Managers and Administrators

Event Overview
Join your colleagues in this spectacular setting to address the challenging obstetrical and neonatal issues that face the entire multidisciplinary team. In addition to delving into hot topics in perinatal care, this year we strive to incorporate patient perspectives in order to best tackle these challenges and improve outcomes. We also plan to explore emerging opportunities to improve outcomes which include Doula support throughout the perinatal period and the importance of integrating recommendations from Maternal Mortality reviews into clinical practice. And it would not be a NNEPQIN Conference without as much simulation as possible! Bring your team of obstetrical and neonatal colleagues to design strategies that will work in your clinical setting.

Thursday November 16, 2023

7:00 AM  Registration and Poster Set Up and Viewing
8:00  Welcome, Overview of the Meeting
      NNEPQIN Medical Co-Directors:
      Emily Baker, MD, Maternal Fetal Medicine & Steve Ringer, MD, PhD, Neonatology
      Dartmouth Hitchcock Medical Center, Lebanon, NH

8:15  From a Patient Perspective, Redesigning Perinatal and Neonatal Care: Innovative Ideas to Meet Needs
      PCAC Member(s) (To be confirmed)
      & NNEPQIN Conference Course Co-Directors:
      Sherry A. Stevens, CPM, NHCM, New Life Midwiferly Service, Meredith, NH
      Sarah Austin, RN, MSN, CNL, C-EFM, Southern Region Perinatal Outreach, Maine Medical Center, Portland, ME
      Robin Leight, MD, Obstetrician & Gynecologist, Copley Hospital, Morrisville, VT
      Steve Ringer, MD, PhD, Neonatologist, Dartmouth Hitchcock Medical Center, Lebanon, NH
      Nicole Pendenza, BSN, RNC-NIC, Assistant Vice President, Women & Children’s, Wentworth-Douglass, Dover, NH

9:15  The Role of the Doula to Optimize Outcomes During Pregnancy, Delivery, and the Postpartum Period
      Lyndi Sargent, Maternal & Child Resource Coordinator at Wentworth-Douglass Hospital, Dover, New Hampshire

10:15  Break and Poster Viewing

10:45  Experience a Mock Maternal Mortality Review & Consider How Actionable Recommendations to Prevent Future Deaths are Created
      Carolyn K. Nyamasege, PhD, MPH, MS, MC, Epidemiologist, NH Dept. of Health & Human Services, Concord, NH
      Carol Whitman, RN, BS, MA, Maternal Mortality Review Coordinator, NH Dept. of Health & Human Services
      Colleen M. Whatley, MSN, CPPS, CNS-BC, RNC-OB, Sr. Quality & Safety Specialist, Dartmouth Health, Lebanon, NH
      Christine Cooper Nowicki, MPH and Julie Zaharatos, MPH of the CDC Maternal Mortality Prevention Team
11:45  NNEPQIN Business Meeting

NNEPQIN Executive Director (To be confirmed)

12:00  Lunch and Poster Viewing

1:15  Concurrent Workshops

### Out of Hospital Obstetrical Emergencies: Connecting the dots for inpatient OB teams
Sherry A Stevens, CPM
New Life Midwifery, NH
Sarah Austin, RN, MSN, CNL
Maine Medical Center
Portland, Maine
Shauna Goulet BSN, RNC-OB EFM
ONQS, Maine AWHONN Section
Chair
Robin Leight, MD
Copley Hospital
Morrisville, VT
Timothy J. Fisher, MD, MS
Baystate Health
Springfield, MA

### Practical Steps to Implement a Doula Program in your Practice Setting
Lyndi Sargent, Maternal and Child Resource Coordinator
Nicole Pendenza, BSN, RNC-NIC
Wentworth-Douglass Hospital, Dover, NH

### A Deeper Dive into the Maternal Mortality Review Process
Carolyn K. Nyamasege, PhD, MPH, MS, MC
Carol Whitman, RN, BS, MA
NH DHHS MCH, Concord, NH
Colleen M. Whatley, MSN, CPPS, CNS-BC, RNC-OB
Dartmouth Hitchcock Medical Center
Lebanon, NH

### Practical Steps to Implement a Doula Program in your Practice Setting
Lyndi Sargent, Maternal and Child Resource Coordinator
Nicole Pendenza, BSN, RNC-NIC
Wentworth-Douglass Hospital, Dover, New Hampshire

### A Deeper Dive into the Maternal Mortality Review Process
Carolyn K. Nyamasege, PhD, MPH, MS, MC
Carol Whitman, RN, BS, MA
NH DHHS MCH, Concord, NH
Colleen M. Whatley, MSN, CPPS, CNS-BC, RNC-OB
Dartmouth Hitchcock Medical Center
Lebanon, NH

### Calling All Pediatric Providers! Strategies to Ensure Inpatient Newborn Care Services
Steve Ringer, MD, PhD
Neonatologist
Dartmouth Hitchcock Medical Center
Lebanon, NH

2:15  Break and Poster Viewing

2:30  A Novel Tele-simulation Program, Maine Ongoing Outreach Simulation Education (MOOSE), Improves Adherence to NRP in a Rural Hospital
Allison Zanno, MD, Neonatal-Perinatal Medicine, The Barbara Bush Children’s Hospital, Portland, ME

3:30  Break and Poster Viewing

4:00  Concurrent Workshops

### NNEPQIN Perinatal Community Advisory Council (PCAC):
Taking Good Care: “What you need to know about me before you start.”
PCAC Members (To be confirmed)
Janet Perkins, MS, MD, FACOG
Jess Bacon, MSN, CNM, FACNM
Wentworth-Douglass Hospital
Dover, NH

### Pregnancy is Dangerous: Prevention and Treatment of Thromboembolism
Kelley Conroy, MD
Maternal-Fetal Medicine
Maine Medical Center, Portland, ME

### Neonatal Simulation Scenarios: Best Practice Strategies
Allison Zanno, MD
Sarah Austin RN. MSN. CNL
Maine Medical Center, Portland, ME
Steve Ringer, MD, PhD,
DHMC, Lebanon, NH
Charles E. Mercier, MD, MPH
UVM Children’s Hosp., Burlington, VT
Ann Boomer, RN, MN, NNP-BC
Neonatal Outreach Education Coordinator
Northern Light Eastern Maine Medical Ctr.
Guest Discussant, Simon Manning, MD
Brigham & Women’s Hospital
Boston, MA

5:00  Adjourn for the Day

Friday, November 17, 2023

7:30  Breakfast

8:00  Optimizing Care for Babies with Complex Medical Conditions: A Multidisciplinary Team Approach
Kelley Conroy, MD, Maternal-Fetal Medicine, Maine Medical Center, Portland, ME

9:00  Patient Preferences at Cesarean: Helping Patients Get the Birth They Want During Scheduled Cesarean Delivery
Julie Braga, MD, Obstetrician/Gynecologist
Claire Grzymala, MD OB/GYN Resident
Dartmouth Hitchcock Medical Center, Lebanon, NH

9:45  Break to Check out of the Hotel
10:15 Revised Guidelines from the Academy of Breastfeeding Medicine: Implications for Marijuana Use During Pregnancy and the Postpartum Period
Katie White, RNC-LRN, Perinatal Substance Use Disorder Clinical Coordinator
Wentworth Douglass Hospital, Dover, NH

11:00 Move to Concurrent Session

11:15 Concurrent Workshops:

<table>

2:30 Move to General Session

2:45 Periviability: Partnering with Families to Make Decisions Before and After Delivery
Simon Manning, MD, Director of Fetal Care/Perinatal Palliative Care & Associate Clinical Director, BWH NICU
Brigham & Women’s Hospital Department of Pediatric Newborn Medicine, Boston, MA

3:45 Adjourn

Learning Outcome Statement: At the conclusion of this activity, (at least 75% of) learners will be able to discuss at least three of the newly updated guidelines that have been created to optimize maternal and neonatal outcomes.

Accreditation
In support of improving patient care, Dartmouth Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Credit Designation
American Medical Association (AMA)
Dartmouth Health designates this live activity for a maximum of 11.5 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Nurses Credentialing Center (ANCC)
Dartmouth Health designates this live activity for a maximum of 11.5 ANCC contact hours.

Other Learners: All other learners may claim CME-designated participation credit. Consult your professional licensing board regarding the applicability and acceptance of CME-designated participation credit for programs certified for credit by organizations accredited by Joint Accreditation for Interprofessional Education.

This activity was planned by and for the healthcare team, and learners will receive 11.5 Interprofessional Continuing Education (IPCE) credits for learning and change.
